## **Work Experience:**

- |   |                                       |
|---|---------------------------------------|
| 1. System Software Engineer<br>Adasoft India Pvt. Ltd.    | (March 2018 to October 2018)- 7months |
| 2. Full Stack Developer with Python<br>Zindagi Technology | (November 2018 to Present) - 1yr      |

## **Personal Traits :**

- Strong analytical, problem solving abilities.
- Self-motivated and passion to succeed.
- Dedicated and Motivated Attitude towards Work.
- Positive Approach towards Problem Solving.
- Result Oriented, Patience and Ambitious.
- Enthusiasm towards the new Problem.

## **Subjects of Interest:** Programming, Web development, DBMS, AI , ML.

## **ACADEMIC QUALIFICATION:**

- B. Tech-(Computer Science Eng.) – 8.15 CGPA – Tezpur Central University
- XIIth - 89%- CBSE Board, Delhi
- Xth – 95% - CBSE Board, Delhi

## **Extra-Curricular Activities:**

NSS volunteer for 2 years.

## **PERSONAL DETAILS:**

Father Name : Akshay Mishra

Date of Birth: 05 Mar 1995

Permanent Address: WZ 509 /A3 Flat NO 202, Saini Mohalla ,Palam , New Delhi-110045

## **DECLARATION:**

I hereby declare that the above mentioned facts and information are true to best of my knowledge.

AKSHAY MISHRA  
Full Stack Developer
